WMBC CAMP STAFF SUPPORT POLICY

The GO Team will review all applications (keeping all financial details confidential) and determine how they can financially assist you within the following policies.

WMBC Policy for Summer Camp Staff financial assistance:

1. Assistance for camp staff will be paid out according to the number of weeks worked at camp, ministry experience, and depending on the number of applications and consequently the amount of money available from our budget. The maximum time will be 12 weeks per person.
2. The amount for workers for their summer service will be up to \$75 per week.
3. CRA requires WMBC to consider this support as income for applicants, therefore you will receive a T4A for filing your income tax return.

We will send you PART TWO of this form in August to complete your application.
